## **GMN information on the New Machinery Directive 2006/42/EC**

Dear Sirs or Mesdames

The provisions based on the above-named EC Directive become applicable for all Member States on 29 December 2009. The specifications of this Directive are thus legally binding.

With this letter we would like to inform you that from this point in time onwards our GMN machine spindles intended for customers in the scope of application of this Directive will be marketed as “partly completed machines”.

On delivery of our machine spindles we shall attach the following documents:

- Assembly instructions according to Annex VI
- Declaration of incorporation according to Annex II, Part 1, Section B

To fulfil our obligations towards the supervisory authority, we make available to them “the relevant technical documentation according to Annex VII, Part B”.

Should you have any questions about the documentation or more general questions about the new Machinery Directive, please do not hesitate to contact our marketing staff.

Yours faithfully

GMN Paul Müller Industrie GmbH & Co. KG
